Mamma Musey's Pierogi

Canadian pierogi company based on the Sunshine Coast, BC.

Bl3nd was such a joy to work with, they helped me create my first logo, and then worked with me again for some rebranding! They were able to work with me quickly and efficiently to get the job done. Highly recommend bl3nd, and couldn't be happier with my logo, I get millions of compliments on it. Thanks Lou!

Glance Capital

Glance Capital is a fintech bank based in Canada + USA.

Working with Lou and her team was an absolute pleasure! Her professional approach along with her deep understanding of the psychology of colour and design was enlightening and has been very effective in helping to grow our business. World class experience for sure!

Ecokiddies

Ecokiddies is a small home business based in Surrey, BC.

I was thrilled with my logo created by Lou. It became our signature on everything and we received so many compliments on it. Our logo became synonymous with our massage therapy and essential oils business. I would recommend Bl3nd Design to anyone who wants fast, efficient and beautiful work!

Here, there and everywhere

servicing Canada + beyond.

Hanoa Essentials

An essential oils business based in
Amsterdam, HOLLAND.

Very happy with my logo - thank you! Not only is Lou extremely talented, the experience from start to finish was both professional and personable. At first, it was hard for me to express what I had in mind but that didn't faze Lou... she listened, made some suggestions and in no time had captured the perfect look for my branding!

Bags & Baubles

A home style crafting business based
in Salt Lake City, UTAH.

I can highly recommend Bl3nd Design. Lou was amazing to work with and she knocked it out of the park with my company logo design and marketing material. She created an entire brand kit with business card, thank you card, gift tag and social media icons.

Hillside Coast Farms

A hobby + flower farm on the Sunshine
Coast, BC.

I am thrilled with the graphic design work from Bl3nd design. I really love how thorough and caring Lou was when it came to every detail, whether it was designing our farm logo, creating our vacation rental content and brochures or starting up our social media pages and contributions to our business websites designs. I knew what I wanted but had no idea how to get there. She took the guesswork out of everything and I really enjoyed working with her. She creates a brand for you and listens. She is extremely talented and professional! I will continue to call upon her for all our projects in the future.
